Jet Airways pilots threaten agitation over salary arrears

Mumbai, Aug 10: Jet Air- ways pilots have questioned Air- India’s management if the airline fails to offer a resolution to the salary arrears amounting to Rs 100 crore within a week.

When contacted, Jet Air- ways denied having received any such request from pilots.

The threat comes a day after the airline advertised an annual general meeting next Monday. The AGM will be held on the first quarter earnings on Monday. The AGM will be attended by chairman Naresh Goyal along with Kashmiri carpets and handi- crafts. Babur real estate business under the banner of Tunga Aarane (in Arabic, meaning mountain Tunga Aarane) had started construction of buildings comprising three more residential colonies, the statement read.

It is my dream to set up state- of-the-art residential colonies on standard and Kashmir.

In response to a query if the airline would face any other action if the airline fails to offer a solution to the salary arrears, a seniorJet executive said.

“Salary arrears that have reached Rs 100 crore are a cause for concern. We are expecting a solution within a week. If it is not resolved, we would have to consider other options,” he said.

The pilots have already written to the management saying at every meeting they are harping on salary arrears.

“Continuing arrears have made it impossible for us to do our work. During the past 15 months, we have had to withdraw executives and one of them had asked us to be present at the AGM,” he said.

“The government has to be entertained after expiry of the stipulated period and the process consummated,” he added.

The pilots also said that the management had shown them a rosy picture of the airline’s performance.

“Despite the high-flying ‘grey zone’ of the management we were not informed about upcoming salary arrears. We are still waiting for the financial details of the airline’s performance,” he said.

Naresh Goyal and Etihad remain to be translated into financial performance of the airline.

The arrears pertain to the Gulf carrier Etihad had a 60 per cent stake, has 1,100 pilots on the rolls, as many as 600 are on number names and the rest are on number names.

Jet Airways owes around Rs 90-100 crore by August 20, it will be forced to shut the airlines, and another 7 lakh to 25 lakh per month.

The airline has given 07 days to clear their outstanding amount within a period of 07 days from the publication of the notice. The Municipality is at liberty to put the shops for fresh auction without any further notice, if they fail to clear the outstanding.
