

Appointment scam: CEO Budgam reacts

Admits minors were appointed as CPWs

GK NEWS NETWORK
Srinagar, June 30: Chief Education Officer Budgam, Nazir Ahmed Dar Monday while reacting to the series of stories carried by *Greater Kashmir* regarding fake appointment scam and appointment of minors in Education department, stated he was not to be blamed as he was serving as senior lecturer when such appointments were made.

"I was working as senior lecturer in Higher Secondary School (HSS) Jawaharnagar, during the year 2000-2001 and I assumed office as CEO Budgam on March 25, 2012. So I am nowhere involved in the appoint of three can-

didates as Rehbar-e-Taleem (ReT) under Sarva Shiksha Abhiyan (SSA). About the appointment of minors as Contingent Paid Workers, the CEO admitted that some CPWs were initially engaged by the respective heads of schools who were under age at that time.

"The matter was referred to the Directorate. The Director School Education Kashmir issued clear cut instructions vide letter No. DSEK/NT/CPW/39-44/2013/AII/3666-75 dated 20-14-2013 which stated that the under age CPWs who have attained the age of 18 years should be regularized," the CEO said. "I was bound to follow the direction of the Directorate."

Heat affects prisoners' health: Nayeem Khan

Srinagar, June 30: Hurriyat Conference Jammu Kashmir (HCJK) senior leader and National Front chairman Nayeem Ahmad Khan on Monday expressed concern over the deteriorating health of the scores of Kashmiri prisoners lodged in different jails outside Kashmir due to sweltering heat, demanding immediate shifting of all Kashmiri prisoners to the valley.

"Most of the Kashmiri prisoners, languishing in jails like Madhya Pradesh, Maharashtra, Jodhpur, Madras, Delhi, Kuthua, Jammu, Hiranagar etc have taken seriously ill and are falling unconscious every now and then due to scorching heat. So all these prisoners should be shifted to the valley as soon as possible," Khan said while addressing a party meeting here.

"All Kashmiri convict prisoners, who are languishing in different jails, are not provided ample opportunity to defend themselves, proving that their conviction is not based on justice. We demand their immediate shifting as well so that their kith and kin can see them," a spokesman of the Front, in a statement today, quoted Khan as having said.

Students sweat in classes

MUDASIR YAQOOB

Srinagar, June 30: The scorching temperatures in the valley are giving tough time to the school going children who have to attend classes in absence of proper cooling arrangements in the schools with parents demanding announcement of summer vacation.

However, no decision so far has been taken by the authorities over the announcement of the summer vacations for the school going children.

A delegation of parents said that despite rise in the temperatures and inadequate facilities at the government schools in valley, the decision over the summer holidays has been kept in limbo, giving tough time to the kids.

Parents while expressing resentment over the silence of the department about the immense increase in day temperatures stated that no facilities are in place for their children at schools to beat the scorching heat.

"Where are the authorities at present who keep on claiming to have the best infrastructure at schools? Our children faint when they reach home as no measures have so far been taken in the schools during the ongoing hot summers," said Mukhtar Ahmad, a Srinagar resident.

Despite Ramadhan with most of the students on fasting, the authorities, according to

the sources are yet to take the final call over summer break in valley.

However, reports suggested that the education department has decided to announce the break after July 20.

Meanwhile, according to the MeT office, the Srinagar city will remain partly cloudy with maximum and minimum temperatures to be around 30°C and 15°C respectively. Relief from the scorching heat was earlier expected as the weatherman Monday had predicted rains and thundershowers accompanied with strong winds at some places over Jammu and Kashmir. According to MeT office reports, Kashmir valley witnessed much increase in the temperatures during the last few days with Sunday's temperature recorded as 31.6 degrees Celsius.

A MeT official here informed that on Monday maximum and minimum temperature in Srinagar were recorded 31.8 degree Celsius and 19.2 degree Celsius respectively.

In Leh, the temperature remained 28.2 degree Celsius on Monday.

The state Metrological department Monday maintained during the last 24 hours there is a possibility of light rain and thundershowers, adding, "However, there is less possibility of considerable dip in temperature."

"Maximum and minimum temperatures will be around 29 to 30 degree Celsius till next week," said MeT official.
