

**JKEDA tender for solar lights comes under question**

GK NEWS NETWORK

Srinagar, July 20: The tender issued by Jammu & Kashmir Energy Development Agency for 47000 solar items has come under question with bidders accusing the agency of subverting the competition.

A group of bidders told Greater Kashmir on Sunday that in June, JKEDA issued tenders for procurement of 47000 solar items. "Two corrigenda were issued in June itself to remove some discrepancies as well as to enhance the scope for more companies to participate in the bidding," they said.

They alleged that the agency through another corrigendum implemented the guidelines of the Central Vigilance Commission to 'restrict' the competition. "How can they implement CVC guidelines in JK when the body has no jurisdiction here? These guidelines were even twisted to subvert the competition," they alleged, adding that even the "CVC guidelines call for wide participation in bidding to ensure healthy competition."

According to them, the Central Electronics Limited (CEL), a Government of India enterprise, too has raised objection to the government's move. In a letter (CEL/SPV-M/JAKEDA/1607-2014) the CEL has conveyed to the State government that "even the CVC guidelines issued from time to time always have a basic underlying theme that all the prequalification criteria fixed should not contravene the philosophy of fair play and wide competition."

"The corrigendum seems to have been issued without understanding the dynamics of the solar market whose evolution in India still is at a nascent stage and probably there would be hardly any company which could match the pre-qualification set," the letter said.

# KEA-K accuses NDA govt of discriminating against Kashmir

'Our economy will continue to suffer till Kashmir issue is resolved'

MUKEET AKMALI

Srinagar, July 20: Kashmir Economic Alliance led by Muhammad Yaseen Khan Sunday accused the BJP-led NDA government of adopting discriminatory approach against Kashmir to weaken its economy.

Chairman, KEA, Muhammad Yaseen Khan said the BJP-led NDA government is working on an "agenda" aimed at "regional disintegration" of Jammu and Kashmir.

"They (BJP) are trying to divide the state on regional lines. An example of which can be had from the discriminatory treatment meted out to Kashmir in the union budget," he said.

Khan said the NDA government on the very first day of its taking over the reins of the power at New Delhi, raked up the controversy of abrogation of Article 370.

Jitendra Singh, Union Minister of state for Department of Personnel and Training (DoPT), in NDA government had earlier said Article 370 is not in the interest of people and had done "more harm to the state than good."

The BJP in its manifesto had

## Some office bearers in KEA-K have political ambitions: KEA-D

Srinagar, July 20: In what suggests deep divides between two KEAs, the Kashmir Economic Alliance (led by Farooq Dar) today alleged that some office bearers of other KEA led by Muhammad Yaseen Khan had political ambitions.

Its chief spokesperson, M Y Chapari in a statement alleged that "some senior members of KEA (led by Khan) want to use KEA for the political purposes." "KEA is purely a traders' body and has no affiliation with any political party or any political persons. However, some members tried to bring in Sarpanchs and Panchs in the fold of KEA and make it a political party. EC members of the KEA have vehemently objected to the inclusion of Panchs and Sarpanchs into its fold," he said.

KEA was formed in 2010 after the 12 trade associations of traders, hoteliers, contractors, transporters, houseboats owners, industrial sector, traders associated with horticulture met and decided to form one single platform for the betterment of the Kashmir economy. "KTMF also joined as one of the 12 main trade sectors and has got equal rights to vote for the election rights," it said.

"However, the KTMF is trying to pass off 16 of its members as KEA EC members which is unethical." "For the elections of the KEA, there are 23 votes including individual one

vote each from 12 associations and one vote from 11 founding members," it said.

"If KEA is given 16 votes even for its district presidents and other members, the other trade bodies including hotel associations, contractors' body, transporters and others are also having their district bodies and chapters in every part of the Valley," it said.

It alleged that KTMF is trying to hijack the popularity of KEA by associating Panchs and Sarpanchs with this alliance.

"KEA after its formation in 2010 had failed to hold elections for past three-and-half years and also failed to draft its constitution. When the EC members smelled the conspiracy for using it for political gains, we opposed it," it said.

"Nine of the 12 constituent bodies have chosen unanimously Farooq Ahmad Dar as its ad hoc chairman and formed three member committee for the elections for which the dates have also been announced," it said.

"Previous body has been dissolved and notifications for the fresh elections have already been issued," it said, adding that all the principal representatives of these "12 trade sectors" and 11 founding members have been asked to file their papers to contest the election.

also said that it would work towards abrogation of Article 370.

Khan also lambasted the state government accusing it of letting down the people

of Jammu and Kashmir and "sowing the seeds of distrust among different communities."

"State government's proposal to establish separate residen-

tial colonies for Kashmiri Pandits in Kashmir is totally unacceptable," Khan challenged, adding that they welcome the Pandit brothers to Kashmir

## Sarpanchs not part of KEA: Khan

Srinagar, July 20: Chairman, KEA, Muhammad Yaseen Khan said Kashmir Economic Alliance (led by him) is an apolitical organizing and Panchs and Sarpanchs are neither its members nor associated to it.

Referring to the "controversial" conference at SK Park organized by KEA last month in which Sarpanchs and Panchs had also participated, Khan said it was held "to show our support and solidarity with them." "These elected grassroots representatives have neither joined KEA nor are they part of it," Khan cleared.

Responding to a query about the breakaway faction of KEA, he said: "We have 30 executive members and majority of them are with us. There is no question of breakaway faction, KEA is one and will remain so. Further, if anybody wants to come back to our fold we will welcome them."

Chief Spokesperson, KEA, Siraj Ahmad said: "Some of the disgruntled elements who have recently been terminated from their basic membership are trying to malign the image of the alliance for their vested interests. We would like to make it clear that Sarpanchs or Panchs are not at all part of the KEA, therefore there is no question that KEA has any political or any hidden agenda. The policies of the KEA are transparent." The Chairman KEA was flanked by Vice Chairman, Muhammad Iqbal Trumboo and other executive members from various districts. **GKN**

"but they should live along with the Muslim community."

Chairman KEA, who was flanked by the executive mem-

bers of the alliance said: "KEA is an apolitical organization and its members don't have any political ambitions."

## Meeting reviews food processing projects in JK

Srinagar, July 20: Financial Commissioner, Industries and Commerce, Khurshid Ahmad Ganai today reviewed the implementation of government of India schemes for food processing in Jammu and Kashmir.

The meeting reviewed the projects relating to setting up of abattoirs, upgradation of meat shops, fruit collection centres and food processing units. The meeting noted the status regarding the abattoir at Srinagar. Secretary Housing & Urban Development and Director Horticulture informed the meeting that they had received several applications for Modernization of Meat Shops in response to the advertisement through print media by Mission Directorate.

MD SIDCO, intimated that the meat shops are eligible for financial assistance up to Rs 5 lakh for modernization, it said. The Financial Commissioner directed that the applications received should be forwarded to the Mission Directorate (J&K SIDCO) so that they could be examined and placed in the next meeting of SLEC for approval.

He directed the Mission Directorate to utilize all the funds at the earliest so that further funds could be received from GOI.
