CB lodges FIR against Jammu based steel manufacturing unit

Says company supplying substandard steel items

GK NEWS NETWORK

Jammu, July 7: In a significant development, Crime Branch, Jammu has lodged an FIR against a Jammu-based steel manufacturing unit for allegedly supplying and selling sub-standard steel items in the market. A Crime Branch handout said that FIR 17/2014 U/S 420, 120-B RPC read with Sec 5(2) PC Act Svt.2006 has been registered against Jhelum Steel Industries supplying units and officers/officials of the store and procurement

department Jammu. The Crime branch had received complaints alleging that Jhelum Steel Industries at SIDCO Complex Samba was manufacturing steel rods of inferior quality in the absence of any specialized plant by using sub-standard material and thereafter supplying them to government agencies and civilians. Crime branch during its enquiry "found that Jhelum Steel Industry was the franchisee of Kamdhenu TMT." "During the investigation it was also found that generally four technologies are used for production of quality steel i.e. Thermax, Tempcore, Evcon Torbo and Sal Tempcore whereas, the factory did not use either of them," it said.

"The samples of Saria (steel rods) were collected from the factory premises as well as out of the material supplied to Deputy Director Store and Procurement department in presence of Executive Magistrate, and were sent for testing to the SICOP lab at Gangyal and National Institute of Secondary Steel Technology, Punjab," the report said. It said that reports of analysis received from the labs revealed that the samples failed in respect of percentage, elongation as well as maximum percentage of Phosphorus and total percentage of Phosphorus Sulphur and Carbon and also failed to pass BIS standards specified under ISI 2830-1992. "It was also found during the course of enquiry that Jhelum Steel factory was actually getting the

supply of Ingots from three factories located at Bari Brahmna namely Jammu Casting, Tawi Chemicals and Quality Casting and then manufacturing/producing sub-standard steel rods and thereafter using the Kamdhenu TMT brand and supplying the same fraudulently in-connaissance with the officials of the Government departments, thereby causing loss to state exchequer," the statement said. Pertinently, as per the guidelines the steel rods are to be manufactured only by molding ISO bullets (raw material), while on the contrary to these guidelines, in Jammu region many steel manufacturing units are violating the guidelines thus jeopardizing the security and safety of the people, it said.

'Job creation will be thrust area for PDP'

Unemployment biggest challenge for JK: Baig

GK NEWS NETWORK

Srinagar, July 7: Senior People's Democratic Party (PDP) leader and Member Parliament, Muzaffar Hussain Baig has said that unemployment is the biggest challenge facing the state and job creation will remain thrust area for the next government "likely to be formed by the party under the leadership of Mufti Muhammad Sayeed."

Baig, according to a statement issued here by the party, said that NC has "historically been survived on false promises and emotional exploitation by raising slogans like Plebiscite and Autonomy."

"Since these slogans have no buyers now in the changed circumstances they are trying to sell government jobs, administrative units and pipe dreams even though they are not able to pay salaries to the existing employees," he said.

Addressing a function at the party headquarters here to welcome "dozens of prominent NC workers from Sonawari constituency of Baramulla district into the PDP", Baig said that youth have been "targeted victims of the present coalition and they will need to drive this government out of office to ensure a fair deal and a bright future for themselves."

He said Jammu and Kashmir could be one of the richest states given its natural resources in the shape of water, power generation capacity, minerals and horticulture, but due to NC's "selfish" and "opportunistic politics" it has been converted into a begging bowl.

Those who joined the party include Abdul Rasheed Nurra, Ex ZEO; Muhammad Sarfaraz Parry, president Sumo Drivers' Association; Muhammad Afzal Dar Chandergar Hajin; Haji Ali Muhammad Shiekh, Sadinara; Muhammad Assadullah Banyari, retired forester; Nazir Ahmad, retired Chief Accounts Officer; Showkat Ahmad Bhat, panch; Muhammad Yousuf Kucchay, Grabal Saffapora and others.

"Nobody could call us a beggar state if NC had ever been honest and sincere in government," he added. Baig accused the coalition government of making the present and future of thousands of Kashmiri youth bleak by pushing them into alienation and then using repressive measures to create an impression of peace.

He said the PDP with a decisive mandate would create a firm resource-base for the state to be able to fund its infrastructural development and generation of employment. He alleged that state's resources like water and power have been

bartered away by successive National Conference governments. He said thousands of young men many more have been denied even fundamental right of having a passport. "Travel facilities are continued to be denied to the people even some of their distant relative was involved in militancy or might have been killed decades back," he said.

He said Omar Abdullah's government because of its sheer inefficiency and non-seriousness has not been able to utilize thousands of crores of funds as the Central government assistance over the last more than five years and it sounds ridiculous on part of its performance when this government tries to portray itself as 'saviors' of the people. Most of the funds made available to the state have either been swindled or surrendered, he added.

Speaking on the occasion the party's Chief Spokesperson, Naem Akhtar said PDP during its brief tenure in the government "scripted a new chapter of peace and development in the state and the party not only revived people's trust in the democratic institutions, but set an example of honesty and transparency in the governance system."

He said the party "delivered much it had promised to the people, but the NC brought destruction and sell-outs of the state's interests and resources." Senior party leaders Syed Muhammad Altaf Bukhari, Abdul Hameed Kohshien; Yasir Reshi and youth leader Advocate Irshad Singh were also present on the occasion.

Stormy start to Budget session of Parliament

New Delhi, Jul 7: The Budget session of Parliament today got off to a stormy start with the first day in Lok Sabha being virtually washed out on the issue of price rise and rail fare hike as a strident Opposition insisted on a discussion under an adjournment motion. The House managed to take up just two questions amid uproar created by members of Congress, Trinamool Congress, RJD, SP, Aam Aadmi Party and the Left as they trooped into the Well raising the issues of price rise and rail fare hike.

matter immediately and left it to the Speaker to decide under which Rule it should be done. Mahajan said she had rejected notices for adjournment motion but accepted six notices for discussion under Rule 193. She even called P Karunakaran (CPI-M) to initiate the discussion. However, Congress and some other Opposition parties insisted that the discussion should be held under the adjournment motion. When the House met at 1400 hours, Deputy Leader of Congress Amarinder Singh said people were starving and "food prices are rising at terrible levels...How can common man survive? We don't want only a discussion but an answer from the government. We want voting in the House because it is an important issue".

Congress leader Jyotiraditya Scindia mentioned that Rajya Sabha has allowed discussion on the issue of price rise, but Mahajan said matters of the other House cannot be discussed in the Lok Sabha. Amid uproar, the Speaker was heard saying that members were not interested in discussing issues of the poor. "I am sorry, if you don't want to discuss (price rise) I am adjourning the House," Mahajan said and adjourned the House for the day at around 1410 hours. ¶

The Opposition wanted discussion under adjournment motion but Speaker Sumitra Mahajan rejected it, saying a debate could be taken up under Rule 193 that does not entail voting. While Congress wanted discussion on price rise, Trinamool Congress pressed for debate on rail fare hike under adjournment motion which requires voting and amounts to censure of the government if it is passed. The House was adjourned twice till 1400 hours before being adjourned for the day as the deadlock persisted over the Rule under which a discussion could be taken up. Sharing concern over the price rise, Parliamentary Affairs Minister Venkaiah Naidu said the government was ready to discuss the

Educatus Expo 2014 to begin at SKICC from July 9

Unique education fair will provide platform to knowledge-providers, seekers

GK NEWS NETWORK

Srinagar, July 7: Educatus Expo 2014, first-of-its-kind education fair will be held at SKICC here from July 9. The educational fair is being organised by the SS Exhibitions and Media Pvt Ltd, an exhibition, events and publishing group. The two day fair is aimed to provide best educational services and career enhancement opportunities to the students of Jammu and Kashmir.

gives a unique platform to surf various opportunities in the professional educational arena under one roof, to reduce the burden of hunting for a good institute. Dhanda said: "Educatus will provide a unique platform to Educational groups and students for interaction. This will act as a one-stop-solution for all professional education needs of a student by bringing together students and educational institutions under one roof."

"The counselling sessions at Educatus Expo will help students interact with expert counsellors and set guidelines for their respective careers. With Educatus Expo, it is our attempt to give these students an edge over others and equip them with a proper mindset before they go for higher education."

While giving details about the Educatus Expo 2014, Manish Dhanda, Founder SS Exhibitions and Media Pvt Ltd, said that the fair
